# BENEFITS OF THE JUNIOR MBA

Getting to know what  
running a business is like

Improved logical  
reasoning skills

Get inspired  
to dream big!

Understand what  
adults do at work

Become a better  
critical thinker

Learn to plan  
and budget like  
a boss

## Junior CEO

-----  
An Online Program for  
Entrepreneurship Skills  
-----

Imagine your child working on Amazon's business strategy in the wake of Walmart's acquisition of Flipkart. As they grapple with the decisions a business leader must make, they improve their own personal decision making and become a potential entrepreneur!

## Junior CMO

-----  
An Online Program for  
Data & Marketing Skills  
-----

As Starbucks plans to launch a new product line, they enlist the help of your child to assist them. From target market segmentation to brand communication, your child travels a whirlwind route through the glamorous world of marketing!

## Junior CTO

-----  
An Online Program for  
Tech and Coding Skills  
-----

BigBasket asks your child to create a program that will automate monthly shopping for families. As your child learns coding, algorithms and problem-solving skills, he/she evolves into a tech genius!
